

## BTEC Professional Qualifications in Emergency Planning & Business Continuity

The **BTEC Qualifications in Emergency Planning & Business Continuity** are nationally recognised qualifications that demonstrate you have achieved a certain level of skill as a person responsible for emergency planning and / or business continuity. BTEC's offer a realistic and accessible option if you want your performance and skills recognised. The BTEC Professional Qualifications in Emergency Planning and Business Continuity cover the knowledge, understanding and skills needed to become a competent practitioner.

### What will I gain?

Once you have completed one of our courses you will gain a recognised qualification in one or more of the following:

- **Keeping logs and records**
- **Anticipate and Assess the Risk of Emergencies**
- **Plan for Emergencies**
- **Plan for Business Continuity**
- **Manage the Response to and the Recovery from Emergencies**
- **Debriefing an Emergency Exercise or other Activity**

### Who is it for?

The qualifications are aimed at key professionals and managers working in the emergency services, local government, utility companies, voluntary sector and anyone involved in the planning and preparation for responding to and recovering from emergencies. They are especially relevant to those operating under the Civil Contingencies Act 2004.

There are no formal entry requirements.

### How is it taught?

The courses are based on a combination of distance learning and classroom delivery with expert practitioners providing support and guidance at all stages.

### How is it assessed?

Assessment will be based on the professional outcomes described in the Core Competences Framework published by the Emergency Planning Society. It will include practical and written assignments as well as completed documentation that is relevant to your role.
